Beyond Words Choir

Find your voice through music, connection and community

.....
This welcoming chorus is designed for individuals recovering from stroke or other brain injury who may be experiencing aphasia or difficulty with speech.

Through singing familiar songs, rhythm, and shared musical experiences, participants can:

- Express themselves in new ways
- Reconnect with their voice
- Build confidence and joy
- Experience meaningful connection with others

No singing or musical experience is required; just a willingness to join in!
Led by a board-certified music therapist in a supportive, encouraging environment.

.....
3:30 PM- 4:30 PM Every other Thursday
Beginning June 4th through September 10th
